

SELAMAWIT MEKONNEN

Software designer and developer

I am a hardworking and ambitious individual with a great passion for the information and technology industry. I am currently in my final year of studying Bachelor of Computer Science in Addis Ababa University. I have excellent communication skills, enabling me to effectively communicate with a wide range of people. I am seeing a part-time position in the industry in which I can put into practice my knowledge and experience, ultimately benefiting the operations of the organization that I work for.
